

## Musicianship / Theory Class & On-Line Curriculum Sign Up

Classes are held in Auburn at 203 Pakachoag Street

September, 2016

Dear Parents,

The Musicianship / Theory Program at Pakachoag includes two choices:

1. Participation in bi-weekly classes (discounted for private lesson students to \$25 for year); **OR**
2. Individual at-home, on-line self-study, "Theory in a Box", with support available (during lesson time) from your private instruction teacher. (\$60 for year).

Because the Theory in a Box on-line learning program requires an up front financial commitment on the part of the school, we ask that you make a commitment by no later than Monday, September 19th regarding your participation so that we may secure the appropriate number of on-line 'student portals'.

**Bi-weekly classes will be scheduled on either Thursdays or Fridays (depending on interest) after school.**

Time and class assignment is made taking into consideration both age and level of study. If you have a lesson or other class on Thursdays or Fridays and hope to participate, we may be able to schedule around your needs. See Item B below.

What We need you to do Now: Please confirm if wish to sign up for the Theory-in-a-Box curriculum; and/or if you are interested in being considered for a Theory Class by checking off the items below and returning a signed copy by e-mail to [Sarah@pakmusic.org](mailto:Sarah@pakmusic.org); or to the front office.
